

Date: September 16, 2019

To: Downtown Barrie Business Association (BIA)

Attn: Denise Tucker, Chair

Please accept this, my letter of resignation from the Downtown Barrie Business Association (BIA) Board of Directors, effective immediately.

After much thought and personal reflection, it has become evident to me that my investment of time, energy and commitment can be more fully and productively leveraged in other ways. This has not been an easy decision, particularly given that individuals demonstrated their faith and trust in me when they cast their votes last year, however I believe they will understand and support my decision to end my term early.

To Craig and the BIA staff, thank-you for your commitment to your work, and for the ongoing support you have given me in my efforts over the past 4+ years. It has been a real pleasure to work with you.

It is my genuine hope that the BIA Board of Directors will be successful in forging a path to deliver positive outcomes for the benefit of the membership, community and all stakeholders. Rest assured that, as an active member of downtown Barrie, my dedication and commitment to the growth and development of our community will continue into the future.

I wish you much success.

A handwritten signature in blue ink that reads "Tracey L. Baker". The signature is written in a cursive, flowing style.
