

DUNLOP STREET CORRIDOR IMPROVEMENTS
2019-083T
Weekly Project Update

For Week Beginning: November 4th
Update #11

Health and Safety:

Proper protective equipment shall be worn at all times, inside the work area.
Pedestrian Traffic and Deliveries will be directed by the Safety Ambassadors on site.
All vehicular traffic is now being detoured around the work area.
Access through the work area will only be for emergency vehicles and local residents as well as prearranged deliveries with the Public Relations Officer.

Description of work Completed This Week:

Forming and preparation for pouring of sidewalks
Pouring of sidewalks, building aprons, and planter boxes in Phase 1A.
Guild electric on site for temporary streetlight installation.
Pavers stone installation continues
Removable bollard installation

Description of work planned for Next Week:

Completion of paver stone installation
Paving of base course
Pouring of flexible parking area
Temporary asphalt in transition areas.
Removal of all signs, fencing and trailers.
Final clean up.

Business Access Affected:

All stores will be accessible via pedestrian walkways with intermittent disruptions planned in the walkway area October 28th to November 1st.
Access to Residential Condominiums @140 and @150 Dunlop Street and Commercial Plaza @151 Dunlop to be via Poyntz Street entrance to the hoarding fencing only. There will no access from Owen Street entrance.
Deliveries for all businesses located between Poyntz and Owen to be coordinated with the Project Public Relations Officer -Nicole Maurice (705) 794-7800.

Special Requirements of Businesses or Residents:

All Garbage and Recycling is to be placed in the normal location (behind the hoarding fence) at the same time as per the City of Barrie regulations. Arnott Construction Ltd will ensure all Garbage and Recycling is collected as long as it meets the City of Barrie Waste Collection criteria.

Emergency Services

Please be advised that there is no access North and South bound on Mulcaster at the Mulcaster and Dunlop Intersection. Access East and West bound will be for emergencies only. Hoarding fencing to be placed at the intersection of Owen and Dunlop to stop pedestrian traffic within the job site. Fencing will need to be removed for access to job site.
