

NOTICE OF PAVING ACTIVITY

Dunlop Street Corridor Improvements
Contract 2019-083T

October 27, 2020

**Update: Dunlop Street paving scheduled to take place on
Thursday, October 29**

Road will be closed, no street parking available

Details of activity

**The paving has been rescheduled
to Thursday, Oct. 29 because of
inclement weather.**

Paving in the fall season comes with some unpredictability, as it is reliant on weather. Schedule changes can happen as many contractors are looking to schedule paving this time of year to finish up projects, and the availability of paving contractors can be difficult. We apologize for any inconvenience this has caused.

NEW Date of paving activity:

Thursday, October 29, 2020
7 a.m. to 7 p.m., weather permitting

Location:

Dunlop Street from Poyntz Street to
Clapperton Street

Arnott Construction, on behalf of the City of
Barrie, is scheduled to place top course
asphalt on October 29.

The road will be closed to traffic. Pedestrian
access to businesses will be maintained.

Street parking will resume the day after the
work is complete, weather permitting.

**Any vehicles on the road after 7 a.m. on
October 29, 2020, will be towed at the
owner's expense.**

We apologize for any inconvenience and
thank you for your continued patience and
cooperation during construction.

Who do I contact?

If you have questions or to arrange deliveries
during the road closure, please contact:

Nicole Maurice

Public Relations Officer, Arnott
