Construction Update

Arnott Construction and Curbside (Concrete Subcontractor) will be on site starting April 5th to begin deficiency works for the Dunlop St. Corridor Improvement Project.

The work for next week will be focused between Bayfield St. and Mulcaster St. on the North Side of Dunlop St. (2 Dunlop St. E to 124 Dunlop St. E).

The work will include localized brick and concrete remediations, as well as caulking works towards the end of the week.

Any businesses with patios in this section should arrange to have their patios removed by Monday, April 5th 2021.

There may be some localized work outside the above area, however it should not impede with business operations.

Parking in this area will not be available next week. All vehicles are to be removed from the North Side of Dunlop between Bayfeild St. and Mulcaster by 7AM Monday, April 5th 2021.

Pedestrian access will be maintained in all areas during this work.

All work mentioned above is weather dependent.

If there are any issues or concerns please contact the Public Relations Officer Sara Shaw by email: king@arnottgroup.com or by phone: 705-627-7779
